George D. Wark, Esq.,

97 Wellington Street West,

Toronto.

Dear Mr. Wark:

I have to thank you very much for a ticket and an invitation to be present on Wednesday evening at the lecture by Mr. McLure. It would give me great pleasure to go, but I have so many engagements next week that I must keep that night to myself in order to make preparations for the following week when I am to be absent.

Yours sincerely,

President.
